Why did he start hitting your father,</p> <p>10 do you know?</p> <p>11 MARLENA DANIELS: They were</p> <p>12 sitting -- oh, you know what, they were just,</p> <p>13 honestly, sitting at the table, having a</p> <p>14 conversation about the air conditioner.</p> <p>15 911 OPERATOR: Okay.</p> <p>16 MARLENA DANIELS: He wanted it on,</p> <p>17 and my dad said -- I don't know. It was just --</p> <p>18 honestly, just an innocent conversation with the</p> <p>19 whole family about the air conditioning, cause it's</p> <p>20 getting hot outside. And he just got -- I don't</p> <p>21 know. I don't know if it was because my dad said he</p> <p>22 wasn't going to turn the -- the refrigerated air on</p> <p>23 just yet, and he just -- he just got up and just</p> <p>24 started punching my dad.</p> <p>25 911 OPERATOR: Okay. And does he</p>

<p>9</p> <p>1 have access to any weapons? I'm going to go 18 ahead and keep you on the line until the officers 19 get there. Okay? 20 MARLENA DANIELS: Okay. 21 911 OPERATOR: Just let me know if 22 anything changes. 23 MARLENA DANIELS: Okay. I'm just -- 24 I'm outside. 25 911 OPERATOR: Okay. If you hear</p>	<p>11</p> <p>1 stay away from him and not engage with him so nobody 2 gets hurt. Okay? 3 MARLENA DANIELS: Yes. That's why 4 I -- I made my dad go outside, because for some 5 reason he targeted my dad and -- I don't know. 6 911 OPERATOR: Okay. 7 MARLENA DANIELS: My dad and my boys 8 are outside. But my grandma and my mom are inside, 9 and that makes me kind of nervous. 10 911 OPERATOR: Are they not willing 11 to separate from him? 12 MARLENA DANIELS: Well, he kind of -- 13 he's -- him and Santi just took a drive. 14 911 OPERATOR: So they left? 15 MARLENA DANIELS: They're going to 16 come. They're coming. I'm staying on the phone. 17 DEBBIE MORALEZ: He's refusing to go, 18 though. (Inaudible). 19 MARLENA DANIELS: I know, Mom, but, 20 Mom -- Mom -- 21 DEBBIE MORALEZ: I know he has to go, 22 but I'm worried about (inaudible). 23 MARLENA DANIELS: That's okay. 24 911 OPERATOR: Was the hit 25 intentional or was it because of his Huntington's</p>
<p>10</p> <p>1 like yelling or if you can hear banging, anything 2 like that, let me know. Okay? 3 MARLENA DANIELS: Yeah. I -- he's 4 screaming right now. He's in the house screaming 5 right now at my mom and my grandma. (Inaudible). 6 911 OPERATOR: Okay. We're getting 7 officers out as soon as we can. Okay? Is anybody 8 at your house feeling sick or ill in reference 9 COVID? 10 MARLENA DANIELS: No. 11 911 OPERATOR: Okay. 12 MARLENA DANIELS: No. 13 I don't know where he's going. Maybe he 14 wanted to see . . . 15 (Inaudible background conversations.) 16 MARLENA DANIELS: Call you? 17 UNIDENTIFIED MALE: I'm good, but I 18 was just right behind him. 19 MARLENA DANIELS: I wanted you guys 20 to get out of the way. He's a big guy. He can hurt 21 you. He can hurt you guys. He hurt grandpa. He's 22 going to -- just you guys stay out here. I don't 23 want you -- I just don't want you guys around him 24 right now. 25 911 OPERATOR: Yeah. If we could,</p>	<p>12</p> <p>1 disease? 2 MARLENA DANIELS: (Inaudible). 3 Well, it was -- he does have Huntington's, 4 but, I mean, he has -- he has outbursts. 5 DEBBIE MORALEZ: They should have it 6 on file. 7 MARLENA DANIELS: They do. 8 911 OPERATOR: Okay. 9 MARLENA DANIELS: She's just 10 wondering if it was -- 11 DEBBIE MORALEZ: It's been happening 12 a lot. 13 MARLENA DANIELS: It's -- it's part 14 of the disease. So he does have them quite 15 frequently. And my mom says that he's been having 16 them a lot, so -- 17 DEBBIE MORALEZ: He saw the doctors, 18 and they just changed his medicine, but it hasn't 19 kicked in. 20 MARLENA DANIELS: Oh, she said that 21 they just saw the doctor, and they switched his 22 medicines, but it hasn't been long enough to kick 23 in. 24 911 OPERATOR: Okay. 25 MARLENA DANIELS: You okay?</p>

<p>13</p> <p>1 DEBBIE MORALEZ: Yeah.</p> <p>2 UNIDENTIFIED MALE: (Inaudible).</p> <p>3 MARLENA DANIELS: No. No.</p> <p>4 UNIDENTIFIED MALE: (Inaudible).</p> <p>5 MARLENA DANIELS: I told my dad, I</p> <p>6 said, "You know what, it's -- it is -- it's time."</p> <p>7 They can't -- I told -- you know what, (inaudible),</p> <p>8 I told -- I told my dad if he wants to go, I said,</p> <p>9 "What happens when he starts hitting on you and</p> <p>10 mom?" And here we go.</p> <p>11 UNIDENTIFIED MALE: He's already</p> <p>12 gotten (inaudible).</p> <p>13 MARLENA DANIELS: Here we go. And</p> <p>14 he's a very big, strong guy.</p> <p>15 UNIDENTIFIED MALE: (Inaudible).</p> <p>16 911 OPERATOR: Does he live there at</p> <p>17 that house?</p> <p>18 MARLENA DANIELS: I know.</p> <p>19 UNIDENTIFIED MALE: (Inaudible).</p> <p>20 MARLENA DANIELS: Does what?</p> <p>21 911 OPERATOR: Does he live there at</p> <p>22 the house with your parents?</p> <p>23 MARLENA DANIELS: He does. So my mom</p> <p>24 and my dad take care of my brother. And my -- my</p> <p>25 sister also has Huntington's disease. So they take</p>	<p>15</p> <p>1 told them.</p> <p>2 I know. I know.</p> <p>3 UNIDENTIFIED MALE: (Inaudible).</p> <p>4 MARLENA DANIELS: Yeah.</p> <p>5 UNIDENTIFIED MALE: (Inaudible).</p> <p>6 MARLENA DANIELS: They're coming.</p> <p>7 DEBBIE MORALEZ: Dr. Valles is his</p> <p>8 doctor at UNM.</p> <p>9 MARLENA DANIELS: Okay.</p> <p>10 DEBBIE MORALEZ: And he's been having</p> <p>11 the suicide thoughts and wanting to hurt himself,</p> <p>12 so . . .</p> <p>13 MARLENA DANIELS: Okay.</p> <p>14 DEBBIE MORALEZ: (Inaudible) take the</p> <p>15 medicine.</p> <p>16 MARLENA DANIELS: Okay.</p> <p>17 All right. My mom says that he's been</p> <p>18 having suicidal thoughts recently and violent</p> <p>19 outbursts, and that's why they changed his meds</p> <p>20 around.</p> <p>21 911 OPERATOR: Has he been feeling</p> <p>22 suicidal today?</p> <p>23 MARLENA DANIELS: My mom says he has</p> <p>24 been for -- for some time now.</p> <p>25 911 OPERATOR: Did he make any</p>
<p>14</p> <p>1 care of them around the clock.</p> <p>2 911 OPERATOR: Okay.</p> <p>3 MARLENA DANIELS: They live here with</p> <p>4 my parents.</p> <p>5 UNIDENTIFIED MALE: (Inaudible).</p> <p>6 MARLENA DANIELS: But it's -- it's</p> <p>7 just a scary disease. You know, it just . . .</p> <p>8 911 OPERATOR: Is your sister's well</p> <p>9 managed or does she tend to have outbursts as well?</p> <p>10 MARLENA DANIELS: She used to. She</p> <p>11 has had some outbursts, and both of them have tried</p> <p>12 to commit suicide. And, I mean, it's just a very --</p> <p>13 but my sister hasn't in quite a while. So I don't</p> <p>14 know if maybe they have her meds under -- you know,</p> <p>15 her meds seem to be helping her.</p> <p>16 911 OPERATOR: Okay. Is your sister</p> <p>17 there now?</p> <p>18 MARLENA DANIELS: Yes.</p> <p>19 911 OPERATOR: Okay.</p> <p>20 UNIDENTIFIED MALE: (Inaudible)?</p> <p>21 MARLENA DANIELS: I'm on the phone</p> <p>22 with them waiting. I'm just waiting for them to</p> <p>23 come.</p> <p>24 UNIDENTIFIED MALE: (Inaudible).</p> <p>25 MARLENA DANIELS: I did. Yeah, I</p>	<p>16</p> <p>1 threats?</p> <p>2 MARLENA DANIELS: He's already -- I</p> <p>3 haven't heard him, but he's in the house screaming</p> <p>4 at my mom or my grandma. So I don't -- I just don't</p> <p>5 know.</p> <p>6 911 OPERATOR: Okay.</p> <p>7 MARLENA DANIELS: I'm out here with</p> <p>8 my kids and my dad and --</p> <p>9 911 OPERATOR: Yeah, that why I</p> <p>10 (inaudible) to put yourself in any danger. I was</p> <p>11 just curious --</p> <p>12 MARLENA DANIELS: Yeah. Yeah. No,</p> <p>13 no, no.</p> <p>14 911 OPERATOR: -- if he had made my</p> <p>15 suicidal threats today.</p> <p>16 MARLENA DANIELS: Yeah, I haven't --</p> <p>17 I didn't see any. But I'm not here all the time, so</p> <p>18 I don't know, you know, when I'm not here during the</p> <p>19 week and stuff, like what he's -- you know, I just</p> <p>20 don't know what he's doing.</p> <p>21 Dad and Santiago just took a drive in</p> <p>22 Santi's car.</p> <p>23 UNIDENTIFIED MALE: Okay.</p> <p>24 MARLENA DANIELS: Yeah. He seems</p> <p>25 okay. I don't know if he hurt his hand or</p> <p>something, though, because he's -- but . . .</p>

<p>17</p> <p>1 UNIDENTIFIED MALE: (Inaudible) the 2 car? 3 DEBBIE MORALEZ: No. I don't think 4 so, I don't know. 5 MARLENA DANIELS: He said he didn't 6 need a paramedic, so . . . 7 (Inaudible background conversations.) 8 MARLENA DANIELS: This is craziness. 9 This is like the first time our family has gotten 10 together in over a year. 11 911 OPERATOR: Oh, wow. 12 MARLENA DANIELS: Because we've all 13 like had our vaccines and stuff, and so -- just, I 14 don't know. 15 911 OPERATOR: We'll get some 16 officers out there that can definitely help. And 17 they're all trained for these types of situations. 18 MARLENA DANIELS: Yeah, and they've 19 been here. They've been here multiple times. So 20 (inaudible), I'm sure they can see, you know. 21 UNIDENTIFIED MALE: (Inaudible)? 22 MARLENA DANIELS: He fell hard. 23 UNIDENTIFIED MALE: (Inaudible) dad 24 did. 25 MARLENA DANIELS: Yeah.</p>	<p>19</p> <p>1 has done -- this is the fifth time he's went off on 2 him in the past, I think, week or two. But he said 3 that this is the first time he's actually ever hit 4 him and -- as he did. He really -- he really -- he 5 really got my dad good today. 6 911 OPERATOR: Okay. 7 MARLENA DANIELS: So I don't know if 8 the other times my dad was just able to get away 9 quicker or what. But today just, no, he -- he got 10 him. 11 UNIDENTIFIED MALE: (Inaudible). 12 MARLENA DANIELS: I -- I almost 13 called him, but I -- I mean . . . 14 UNIDENTIFIED MALE: (Inaudible). 15 MARLENA DANIELS: No. 16 911 OPERATOR: Do you still hear him 17 yelling? 18 MARLENA DANIELS: I don't, but I 19 think they're -- I think they might be in the room 20 or outside or something. I don't -- I don't know 21 what's going on in the house. I think my grandma's 22 in the room with my sister, because she's freaking 23 out and -- 24 911 OPERATOR: Okay. 25 MARLENA DANIELS: -- I don't know</p>
<p>18</p> <p>1 UNIDENTIFIED MALE: He's crippled 2 anyways. 3 MARLENA DANIELS: I know. I know it. 4 UNIDENTIFIED MALE: (Inaudible). 5 MARLENA DANIELS: He did get hit 6 pretty hard. He's got a big knot on his head and 7 stuff. I saw it. And on his face. 8 911 OPERATOR: If you change your 9 mind at any time that he needs a paramedic, 10 definitely let us know. Okay? 11 MARLENA DANIELS: Yeah, I will. I 12 asked my dad, and I just -- I don't know. He said 13 no, but he is just -- you know, he just got 14 attacked, too, so he's . . . 15 UNIDENTIFIED MALE: (Inaudible) 16 suicidal. 17 MARLENA DANIELS: Yeah, I know. He's 18 a big guy, so that was pretty scary, because, you 19 know, you can't -- you can't just get him off of 20 somebody. 21 911 OPERATOR: Yeah. 22 MARLENA DANIELS: You know? 23 911 OPERATOR: Has he hit your father 24 before? 25 MARLENA DANIELS: My dad says that he</p>	<p>20</p> <p>1 what my mom's doing with my brother. But, 2 I mean . . . 3 911 OPERATOR: Just whatever you can 4 hear. 5 MARLENA DANIELS: He's -- they need 6 to -- they need to definitely take him in and watch 7 him because -- especially if he's having the 8 suicidal thoughts. 9 911 OPERATOR: Okay. 10 DEBBIE MORALEZ: Do they still have 11 the Crisis Team? 12 MARLENA DANIELS: Do you still have 13 the Crisis Team? 14 DEBBIE MORALEZ: Officer Padilla used 15 to come out him. 16 MARLENA DANIELS: Officer Padilla, my 17 mom said, used to come out. 18 911 OPERATOR: Okay. I can 19 definitely request that. 20 MARLENA DANIELS: Yeah, do you want 21 them to do that? 22 DEBBIE MORALEZ: Sure. 23 MARLENA DANIELS: Yes, my mom says 24 please, if you can. 25 DEBBIE MORALEZ: They can deal with</p>

<p style="text-align: right;">21</p> <p>1 the mental . . .</p> <p>2 MARLENA DANIELS: She says that they</p> <p>3 even come out and deal with my brother (inaudible).</p> <p>4 911 OPERATOR: All of our officers</p> <p>5 are --</p> <p>6 MARLENA DANIELS: Yes.</p> <p>7 911 OPERATOR: -- are trained for</p> <p>8 that type of thing, but I can definitely request</p> <p>9 Officer Padilla. I'm not sure if he's on today.</p> <p>10 MARLENA DANIELS: Okay.</p> <p>11 911 OPERATOR: Or if the Crisis Team</p> <p>12 is available, but I will put it in there that you're</p> <p>13 requesting it.</p> <p>14 MARLENA DANIELS: Okay.</p> <p>15 UNIDENTIFIED FEMALE: Is your grandpa</p> <p>16 (inaudible)?</p> <p>17 MARLENA DANIELS: He said he didn't</p> <p>18 need paramedics, but Danny got him good. He's got</p> <p>19 like a knot on his head, his face. He was -- I</p> <p>20 know.</p> <p>21 (Inaudible background conversations.)</p> <p>22 DEBBIE MORALES: I feel bad for them,</p> <p>23 but they can't (inaudible).</p> <p>24 MARLENA DANIELS: I didn't --</p> <p>25 Grandma, I've have been telling -- I've been telling</p>	<p style="text-align: right;">23</p> <p>1 UNIDENTIFIED MALE: He doesn't want</p> <p>2 to deal with the hate.</p> <p>3 UNIDENTIFIED FEMALE: You know what,</p> <p>4 there's times that we didn't come because every time</p> <p>5 I came, he was (inaudible).</p> <p>6 UNIDENTIFIED MALE: And when we go to</p> <p>7 the house, we got to -- (inaudible) take the</p> <p>8 pictures down.</p> <p>9 MARLENA DANIELS: I heard that.</p> <p>10 UNIDENTIFIED MALE: And the kids.</p> <p>11 (Inaudible).</p> <p>12 UNIDENTIFIED FEMALE: You know.</p> <p>13 (Inaudible) called all the time (inaudible), and I</p> <p>14 would just sit there and not take it. Well, you</p> <p>15 know, you can only take it so long too. (Inaudible)</p> <p>16 I said, "No, because one of these days I'm not going</p> <p>17 have nothing (inaudible)."</p> <p>18 MARLENA DANIELS: Yeah. No, it's</p> <p>19 better to (inaudible) Grandma, especially because</p> <p>20 he's so -- it's not a good . . .</p> <p>21 UNIDENTIFIED FEMALE: And even now</p> <p>22 (inaudible) make me, you know, little remarks.</p> <p>23 (Inaudible) anybody involved. (Inaudible).</p> <p>24 MARLENA DANIELS: He -- he does. I</p> <p>25 don't talk about any of that with him. Because I</p>
<p style="text-align: right;">22</p> <p>1 my dad and -- I understand -- I understand Mom not</p> <p>2 wanting to. I understand like if the mom</p> <p>3 (inaudible) with their kids, but --</p> <p>4 UNIDENTIFIED MALE: (Inaudible).</p> <p>5 MARLENA DANIELS: -- it's so</p> <p>6 dangerous for them.</p> <p>7 UNIDENTIFIED FEMALE: If he didn't</p> <p>8 have (inaudible).</p> <p>9 MARLENA DANIELS: I told Dad a few</p> <p>10 months ago, I said, "Dad, please be careful," cause</p> <p>11 he starts --</p> <p>12 (Inaudible background conversations.)</p> <p>13 MARLENA DANIELS: I just -- I -- for</p> <p>14 some reason, he's targeted on dad. And I said,</p> <p>15 "Dad, go outside because you're getting him" . . .</p> <p>16 (Inaudible background conversations.)</p> <p>17 MARLENA DANIELS: I honestly just</p> <p>18 think that it's the Huntington's. There's no --</p> <p>19 there's no reason there.</p> <p>20 UNIDENTIFIED FEMALE: And I think</p> <p>21 Debbie (inaudible) he hates Stephanie and those kids</p> <p>22 so bad and --</p> <p>23 MARLENA DANIELS: He does.</p> <p>24 UNIDENTIFIED FEMALE: -- he taking</p> <p>25 out that (inaudible) on everybody else.</p>	<p style="text-align: right;">24</p> <p>1 don't want to set him off. I just don't.</p> <p>2 (Inaudible background conversations.)</p> <p>3 MARLENA DANIELS: That was them.</p> <p>4 (Inaudible background conversations.)</p> <p>5 MARLENA DANIELS: I told dad, "You</p> <p>6 need to get out because he's just -- he's looking at</p> <p>7 you, and you're like a trigger for him right now."</p> <p>8 UNIDENTIFIED FEMALE: And you took</p> <p>9 the day off.</p> <p>10 MARLENA DANIELS: I did.</p> <p>11 UNIDENTIFIED MALE: Remember one time</p> <p>12 that Debbie was gone somewhere and it was me</p> <p>13 (inaudible) backyard or something, and Danny started</p> <p>14 in the (inaudible). "Well, you don't like it,</p> <p>15 there's the front door. Don't let it hit you in the</p> <p>16 ass."</p> <p>17 And I thought Danny was going to start a</p> <p>18 fight then.</p> <p>19 MARLENA DANIELS: But (inaudible) is</p> <p>20 mom in there with Danny?</p> <p>21 UNIDENTIFIED MALE: No. Danny went</p> <p>22 in his room.</p> <p>23 UNIDENTIFIED FEMALE: Yeah, yeah.</p> <p>24 MARLENA DANIELS: Oh, Danny --</p> <p>25 UNIDENTIFIED FEMALE: He did.</p>

<p>29</p> <p>1 that he's not going to go down without a fight, so 2 just so you guys know. 3 911 OPERATOR: Okay. 4 MARLENA DANIELS: He might be a 5 little -- yeah, confrontational, so . . . 6 Ay-yi-yi. I hear him. 7 911 OPERATOR: He's still yelling? 8 MARLENA DANIELS: Can you hear? I 9 don't know, he's in his room so I can't hear him. I 10 am pretty sure he's in there with his door shut, but 11 he told -- and he told my mom that she's not 12 going to -- he's not going to go -- he's not going 13 to go with them and he'd kill himself before he did, 14 so . . . 15 911 OPERATOR: Did he threaten now to 16 kill himself? 17 MARLENA DANIELS: Yes. Yeah, he said 18 that he would kill himself before he goes in. That 19 was just like, you know, what -- what (inaudible). 20 911 OPERATOR: Does he have any 21 access to medication or anything in his room that he 22 could kill himself with? 23 MARLENA DANIELS: I believe that all 24 my -- all his medications are locked away. My mom 25 keeps all their medications locked away in a cabinet</p>	<p>31</p> <p>1 UNIDENTIFIED FEMALE: I (inaudible). 2 MARLENA DANIELS: Yeah. Yeah, it's 3 better that he not come. 4 UNIDENTIFIED FEMALE: I thought he 5 was just joking. 6 MARLENA DANIELS: No. Oh, no, I 7 could tell right away that he was going to -- I -- I 8 could tell. I could sense it from him. I didn't 9 think he would do what he did. 10 UNIDENTIFIED FEMALE: Yeah, I didn't 11 either. I was (inaudible). 12 MARLENA DANIELS: He got grandpa 13 pretty good. 14 UNIDENTIFIED FEMALE: (Inaudible). 15 MARLENA DANIELS: Because he's 16 driving grandpa (inaudible). Grandpa probably just 17 needs to -- 18 UNIDENTIFIED FEMALE: (Inaudible). 19 MARLENA DANIELS: Um-hmm, yeah, 20 definitely. 21 We can stay on until they get here. 22 911 OPERATOR: Just in case anything 23 escalates. 24 MARLENA DANIELS: You know, he may. 25 He said he's going to. I just -- I told her, I gave</p>
<p>30</p> <p>1 that's locked. 2 911 OPERATOR: Did he say how he was 3 going to commit suicide? Had he had -- 4 MARLENA DANIELS: No, he didn't. 5 911 OPERATOR: Has he ever had a 6 method? 7 MARLENA DANIELS: I mean, last time 8 he slit his wrists really, really, really, really 9 good, so . . . 10 911 OPERATOR: Are there any knives 11 or anything sharp that he could (inaudible) -- 12 MARLENA DANIELS: No. My mom's -- 13 911 OPERATOR: -- in his room? 14 MARLENA DANIELS: -- my mom's locked 15 them up since that episode. She has things locked 16 and put away. 17 911 OPERATOR: Okay. 18 MARLENA DANIELS: But, I mean, that's 19 not -- I don't know. 20 Did (inaudible) call you? 21 UNIDENTIFIED FEMALE: (Inaudible). 22 MARLENA DANIELS: He (inaudible)? 23 UNIDENTIFIED FEMALE: Yeah. 24 (Inaudible). 25 MARLENA DANIELS: Yeah, (inaudible).</p>	<p>32</p> <p>1 her the heads-up because he's being -- he's going 2 to -- he's definitely not in a good state of mind 3 right now. 4 911 OPERATOR: I think right now 5 they're looking for that -- any availability for the 6 Crisis Team. 7 MARLENA DANIELS: Okay. And I just 8 feel like they need to bring like some -- plenty of 9 people because my brother's a really big guy. 10 No. 11 (Inaudible background conversations.) 12 MARLENA DANIELS: Still waiting. 13 UNIDENTIFIED FEMALE: (Inaudible). 14 MARLENA DANIELS: He's with -- he's 15 with Santiago. Tell her she can call Santiago's 16 phone. 17 UNIDENTIFIED FEMALE: (Inaudible)? 18 MARLENA DANIELS: I don't know. 19 Do you have Santiago's number, Mom? 20 DEBBIE MORALES: Huh? 21 MARLENA DANIELS: Do you have Santi's 22 number? 23 DEBBIE MORALES: No, I got 24 (inaudible). 25 MARLENA DANIELS: Okay.</p>

<p>33</p> <p>1 DEBBIE MORALEZ: I'm talking to 2 (inaudible) real quick. 3 911 OPERATOR: Is there anything that 4 can like hold him down when this sort of thing 5 happens? Is there anything that usually helps? 6 MARLENA DANIELS: Honestly, I have 7 never seen my brother have an outburst like this. 8 911 OPERATOR: Okay. 9 MARLENA DANIELS: So, I mean, I 10 had -- my mom, my grandma, my uncle were all on him, 11 and I was trying to pull my dad away. But that 12 wasn't (inaudible) -- he's a really big guy, so I 13 don't know -- and he -- you know, with the threats 14 he's making, I just -- they probably -- I mean, I 15 don't know how . . . 16 Like I don't know how he's going to be, 17 you know. I don't know if he's going to be calm and 18 has calmed down or if he's actually going to put up 19 a -- a fight. 20 911 OPERATOR: But you said last 21 time -- 22 MARLENA DANIELS: (Inaudible). 23 911 OPERATOR: -- that the officers 24 came, he wasn't violent with them? 25 MARLENA DANIELS: He was not.</p>	<p>35</p> <p>1 and I know he got him -- he got him in the face. 2 And he knocked my dad down to the ground. And I 3 just -- I don't know. 4 It's crazy. It's like hard to -- when he 5 gets in that rage, it's like . . . 6 UNIDENTIFIED MALE: (Inaudible). 7 MARLENA DANIELS: You just can't 8 contain him. I think they -- she said they were 9 looking for (inaudible) the Crisis -- 10 UNIDENTIFIED MALE: Oh. 11 MARLENA DANIELS: -- the Crisis Team 12 or whatever -- 13 UNIDENTIFIED MALE: (Inaudible). 14 MARLENA DANIELS: -- could come out. 15 UNIDENTIFIED MALE: Yeah, because 16 they're a lot better with Danny. They already know. 17 MARLENA DANIELS: Yeah. 18 UNIDENTIFIED MALE: (Inaudible). 19 MARLENA DANIELS: Uh, (inaudible). 20 (Dog barking.) 21 UNIDENTIFIED FEMALE: I don't think 22 any of (inaudible) makes sense. 23 MARLENA DANIELS: I don't think any 24 of us were. None of us were. It was just a 25 conversation.</p>
<p>34</p> <p>1 911 OPERATOR: Okay. 2 MARLENA DANIELS: He was not. But he 3 is threatening now, saying that he's not going 4 to . . . 5 911 OPERATOR: Okay. 6 MARLENA DANIELS: -- he won't go in 7 without a fight, that he will try to kill himself 8 before they -- he lets them take him in. 9 911 OPERATOR: Okay. I did note that 10 in there. 11 Is your father still out with -- on a 12 drive? 13 MARLENA DANIELS: He's with my -- 14 he's with my son. They are. 15 911 OPERATOR: Okay. 16 MARLENA DANIELS: I -- I -- I don't 17 know how -- I mean, he said he doesn't need a 18 paramedic, but, honestly, I don't -- I don't know. 19 My brother got him pretty good. I don't know. 20 911 OPERATOR: I know. That's why I 21 was -- just want to make sure, like are you sure 22 he's okay? But if he's still -- you wouldn't have 23 heard anything. 24 MARLENA DANIELS: Yeah, he's out. 25 He's got a -- I -- I did see a big knot on his head,</p>	<p>36</p> <p>1 UNIDENTIFIED FEMALE: (Inaudible)? 2 MARLENA DANIELS: About the damn air 3 conditioner. 4 UNIDENTIFIED FEMALE: Yeah. 5 MARLENA DANIELS: Oh, God. 6 911 OPERATOR: You know -- do you 7 know why he was trying to commit suicide the last 8 time? Was it over something minor like this as 9 well? 10 MARLENA DANIELS: No. Honestly, it 11 wasn't anything like this. He didn't have an 12 outburst or -- 13 Dr. Valles? 14 UNIDENTIFIED MALE: Valles, yeah. 15 MARLENA DANIELS: Okay. 16 Dr. Valles at UNM, that's his doctor -- 17 911 OPERATOR: Okay. 18 MARLENA DANIELS: -- that he sees for 19 his Huntington's. 20 911 OPERATOR: When was the last time 21 he was seen? 22 MARLENA DANIELS: I think it was 23 recently. I don't know exactly when. My mom said 24 that she just took him, and they switched his meds 25 cause he was having suicidal thoughts and -- you</p>

<p>37</p> <p>1 know, so they --</p> <p>2 911 OPERATOR: Yeah.</p> <p>3 MARLENA DANIELS: -- switched his</p> <p>4 meds around, but it hasn't been long enough, she</p> <p>5 said, for it to really take effect.</p> <p>6 911 OPERATOR: Okay.</p> <p>7 MARLENA DANIELS: So it must have</p> <p>8 been pretty recent.</p> <p>9 My dad just got here. Let me see what</p> <p>10 he's . . .</p> <p>11 911 OPERATOR: Okay.</p> <p>12 (Inaudible background conversations.)</p> <p>13 MARLENA DANIELS: Oh, yeah. So there</p> <p>14 is a . . .</p> <p>15 Are you okay, Dad?</p> <p>16 MANUEL MORALES, SR.: (Inaudible).</p> <p>17 (Inaudible background conversations.)</p> <p>18 MARLENA DANIELS: So, yeah, there is</p> <p>19 a -- we see the cop down the street, but he -- my</p> <p>20 dad said they can't come over until somebody else</p> <p>21 shows up with him.</p> <p>22 911 OPERATOR: Okay. Yeah, usually</p> <p>23 depending if --</p> <p>24 MARLENA DANIELS: Yeah.</p> <p>25 911 OPERATOR: -- especially if he's</p>	<p>39</p> <p>1 like -- and I know. That's what I'm saying. Like</p> <p>2 being a mom -- being a mom, I get it. I get it, but</p> <p>3 also it's dangerous for both of them.</p> <p>4 UNIDENTIFIED MALE: (Inaudible) for</p> <p>5 Danny.</p> <p>6 MARLENA DANIELS: It's dangerous for</p> <p>7 Mom and Dad.</p> <p>8 911 OPERATOR: Is there anybody</p> <p>9 else --</p> <p>10 MARLENA DANIELS: So there is --</p> <p>11 there is --</p> <p>12 911 OPERATOR: -- that is able to</p> <p>13 take care of him?</p> <p>14 MARLENA DANIELS: There's a cop here,</p> <p>15 but they can't come because they need to send</p> <p>16 somebody with him because he's by himself. With the</p> <p>17 threats and stuff, they need --</p> <p>18 UNIDENTIFIED MALE: (Inaudible).</p> <p>19 MARLENA DANIELS: Yeah. They need to</p> <p>20 send multiple people.</p> <p>21 (Inaudible background conversations.)</p> <p>22 MARLENA DANIELS: Yeah. Yeah.</p> <p>23 Yeah, I don't -- I mean, my parents do</p> <p>24 really good with my brother and my sister when</p> <p>25 they -- you know, when they're on their meds and --</p>
<p>38</p> <p>1 saying that he's not going to go down without a</p> <p>2 fight, they won't just send one officer. They're</p> <p>3 waiting for some backup.</p> <p>4 MARLENA DANIELS: Yeah. No,</p> <p>5 that's -- that's -- that's -- that's smart. That's</p> <p>6 why I was -- (inaudible) a heads-up, because I don't</p> <p>7 want anybody hurt.</p> <p>8 911 OPERATOR: Definitely, yes.</p> <p>9 MARLENA DANIELS: And my brother is a</p> <p>10 big guy, so . . .</p> <p>11 911 OPERATOR: But your dad doesn't</p> <p>12 need a paramedic?</p> <p>13 MARLENA DANIELS: He said he doesn't.</p> <p>14 He said he'll be fine. He said he's got a --</p> <p>15 he's -- you can tell he got hit in the head, in the</p> <p>16 face, but he said he's fine.</p> <p>17 911 OPERATOR: Okay.</p> <p>18 MARLENA DANIELS: I don't know.</p> <p>19 (Inaudible background conversations.)</p> <p>20 MARLENA DANIELS: Oh. Grandpa?</p> <p>21 UNIDENTIFIED MALE: (Inaudible).</p> <p>22 MARLENA DANIELS: Yeah. I get it.</p> <p>23 UNIDENTIFIED MALE: I know</p> <p>24 (inaudible).</p> <p>25 MARLENA DANIELS: Oh, no, it's</p>	<p>40</p> <p>1 you know.</p> <p>2 911 OPERATOR: Yeah.</p> <p>3 MARLENA DANIELS: Their meds work</p> <p>4 fairly well, but it's when -- you know.</p> <p>5 (Inaudible).</p> <p>6 911 OPERATOR: Yeah. It looks like a</p> <p>7 really hard situation when they're being violent</p> <p>8 like this and you know it's -- like you said, like</p> <p>9 being a mom, you'd really want to be there and care</p> <p>10 for them, but it's also dangerous for them that --</p> <p>11 that they --</p> <p>12 MARLENA DANIELS: Yeah.</p> <p>13 911 OPERATOR: -- really (inaudible).</p> <p>14 MARLENA DANIELS: It really is. And</p> <p>15 I've been warning my -- my parents about this for a</p> <p>16 while. I said, "There is going to be a time" --</p> <p>17 because as the diseases progresses, this is just</p> <p>18 part of it. This is what happens. I said, "And he</p> <p>19 is progressing, so you guys need to, at some point,</p> <p>20 know when, you know, it's -- you guys can't do it</p> <p>21 forever."</p> <p>22 911 OPERATOR: Yeah. Is there</p> <p>23 anybody else within the family that could care for</p> <p>24 him?</p> <p>25 MARLENA DANIELS: Oh, no. Everybody</p>

<p>45</p> <p>1 MARLENA DANIELS: Yeah. And it's 2 pretty -- it starts pretty young. And my sister 3 probably started showing signs in her 30s, and my 4 brother also probably -- both of them, late 30s. My 5 sister's -- no, they're both pretty -- they're kind 6 of a -- they're -- yeah, they're both pretty -- I 7 don't know. 8 911 OPERATOR: Well, hopefully, their 9 medication will -- it will be more like your sister, 10 and the medication will kick in and there won't be 11 as many outbursts. 12 MARLENA DANIELS: Yeah, we're hoping 13 for that. Just got to wait and see. 14 911 OPERATOR: It's just hard, too, 15 with like a lot of the medication that they 16 prescribe for mental health, cause it takes about 17 like two weeks to a month to even see -- 18 MARLENA DANIELS: Um-hmm. 19 911 OPERATOR: -- any results. 20 MARLENA DANIELS: Yep. It does. And 21 they're constantly, I think, all the time switching 22 their -- having to switch their medications. All 23 the time, because it like will work for a while, and 24 then they'll start -- you know -- 25 911 OPERATOR: Yeah.</p>	<p>47</p> <p>1 MARLENA DANIELS: Like the whole -- 2 like their dad had it, and I think their dad 3 ended -- I think he committed suicide (inaudible). 4 911 OPERATOR: Oh, no. 5 MARLENA DANIELS: The uncles, like 6 that whole side of the dad's family has had it. 7 911 OPERATOR: That's crazy. 8 MARLENA DANIELS: Yeah. And my 9 niece, my sister's daughter, she's -- she lives here 10 as well. She was just -- she was just tested 11 positive for it. She's young, though. She's 19, 12 so . . . 13 911 OPERATOR: So it's a genetic 14 disease? 15 MARLENA DANIELS: It is, um-hmm, 16 yeah. 17 (Inaudible background conversations.) 18 UNIDENTIFIED MALE: He's pretty 19 strong. 20 MARLENA DANIELS: He's -- he isn't -- 21 he's -- he's strong. 22 (Inaudible background conversations.) 23 MARLENA DANIELS: He's strong. 24 UNIDENTIFIED FEMALE: (Inaudible). 25 MARLENA DANIELS: He couldn't -- we</p>
<p>46</p> <p>1 MARLENA DANIELS: -- having, you 2 know, suicidal thoughts or delusions or -- who 3 knows, just different things. And they have to be 4 switched again. 5 (Inaudible)? 6 UNIDENTIFIED MALE: Yeah. 7 911 OPERATOR: Is he still in the 8 bedroom? 9 UNIDENTIFIED MALE: (Inaudible). 10 MARLENA DANIELS: Yeah. 11 911 OPERATOR: Okay. 12 MARLENA DANIELS: Dad's in the car. 13 (Inaudible background conversations.) 14 911 OPERATOR: Has anybody else in 15 the family besides your brother and sister had 16 Huntington's disease? 17 MARLENA DANIELS: It runs in their -- 18 so he's my step -- it's my stepbrother and my 19 stepsister. 20 911 OPERATOR: Okay. 21 MARLENA DANIELS: So it runs in 22 their -- in their dad's side of the family. And 23 everybody on that side of the family has had -- 24 either has had it or had it. 25 911 OPERATOR: Oh, wow.</p>	<p>48</p> <p>1 couldn't get him off. We couldn't get him off of 2 Dad. 3 (Inaudible background conversations.) 4 MARLENA DANIELS: We couldn't get him 5 off of Dad. 6 UNIDENTIFIED MALE: (Inaudible). 7 MARLENA DANIELS: It did. Mom said 8 they just changed his meds because he was having 9 suicidal thoughts and . . . 10 (Inaudible background conversations.) 11 MARLENA DANIELS: My younger brother 12 just got here. He's a pretty big guy, so . . . 13 I don't know why that's really (inaudible) 14 for me, but I'm like, "Oh, my younger brother is 15 here." 16 911 OPERATOR: I do apologize for the 17 time delay. It's been really busy today, so we 18 haven't had many officers available. 19 MARLENA DANIELS: Yeah, I see the 20 officer sitting there. He's just down the street, 21 but it's only the one. 22 911 OPERATOR: Yeah. Maybe he is 23 just waiting for cover. And I do show that the -- 24 another officer is en route, but it's been really 25 busy today and officers have been going call to</p>

<p>49</p> <p>1 call.</p> <p>2 MARLENA DANIELS: Sure.</p> <p>3 911 OPERATOR: Calls have been</p> <p>4 holding for a long time.</p> <p>5 MARLENA DANIELS: It's a holiday.</p> <p>6 That's usually how it goes.</p> <p>7 911 OPERATOR: Oh, yeah. People</p> <p>8 drink --</p> <p>9 MARLENA DANIELS: And --</p> <p>10 911 OPERATOR: -- and all the</p> <p>11 families get together, and they're fighting.</p> <p>12 MARLENA DANIELS: Yep. And like we</p> <p>13 were so excited. We're like, "Oh, wow, we haven't</p> <p>14 seen each other in so long," and nah-nah-nah-nah.</p> <p>15 And it was just fine. It was going so good. We had</p> <p>16 all just finished eating, and we were just having</p> <p>17 conversation at the table. And, wow, it just -- I</p> <p>18 don't know what the heck happened.</p> <p>19 911 OPERATOR: Hopefully we'll get</p> <p>20 him the help that he needs.</p> <p>21 MARLENA DANIELS: Yeah. I -- I mean,</p> <p>22 I know there is help. It's just him allowing it.</p> <p>23 You know?</p> <p>24 911 OPERATOR: Yeah, if the officers</p> <p>25 do determine that he's like a danger to himself or</p>	<p>51</p> <p>1 don't give a fuck."</p> <p>2 And now, (inaudible) he doesn't realize</p> <p>3 how much people care for him. Because even right</p> <p>4 now, he's trying to (inaudible) he way and I can</p> <p>5 calm him down.</p> <p>6 MARLENA DANIELS: I --</p> <p>7 UNIDENTIFIED MALE: So he doesn't</p> <p>8 have to go down with a fight (inaudible).</p> <p>9 MARLENA DANIELS: He already told</p> <p>10 Mom. He already told Mom. He said, "I will not go</p> <p>11 without a fight." He told Mom, he said, "I will</p> <p>12 kill myself before they take me." He's already in</p> <p>13 there in his --</p> <p>14 UNIDENTIFIED MALE: (Inaudible).</p> <p>15 MARLENA DANIELS: And that was scary</p> <p>16 because honestly, Santo, we were sitting there</p> <p>17 eating, and there was nothing going on. And he --</p> <p>18 UNIDENTIFIED MALE: (Inaudible).</p> <p>19 MARLENA DANIELS: Like that.</p> <p>20 UNIDENTIFIED MALE: He's going to --</p> <p>21 he's going to start a fight.</p> <p>22 MARLENA DANIELS: No. No. That's</p> <p>23 why I had Dad -- I -- I -- I made Dad and the boys</p> <p>24 come out.</p> <p>25 UNIDENTIFIED MALE: (Inaudible).</p>
<p>50</p> <p>1 others, they might be able to transport him to UNMH</p> <p>2 to be evaluated.</p> <p>3 MARLENA DANIELS: Yeah, that's where</p> <p>4 his doctor's at, Dr. Vas- -- Valles.</p> <p>5 911 OPERATOR: Okay.</p> <p>6 MARLENA DANIELS: I think, at UNM.</p> <p>7 That's where his Huntington's doctor is.</p> <p>8 911 OPERATOR: All right.</p> <p>9 MARLENA DANIELS: Are you okay? Did</p> <p>10 you get injured?</p> <p>11 UNIDENTIFIED MALE: Uh-uh.</p> <p>12 MARLENA DANIELS: You all right?</p> <p>13 UNIDENTIFIED MALE: (Inaudible).</p> <p>14 MARLENA DANIELS: He's a big guy.</p> <p>15 That was -- that, Alfonso, was very scary</p> <p>16 (inaudible).</p> <p>17 UNIDENTIFIED MALE: (Inaudible) but</p> <p>18 people don't understand (inaudible). Cuz, you know,</p> <p>19 he fucking one time threatened to kill me and</p> <p>20 (inaudible) this big old thing.
